## CONDUCT

As a Financial Adviser, I am subject to certain obligations contained in the Financial Markets Conduct Act 2013 and the Code of Professional Conduct for Financial Advice Services. I am required to:

## CONFLICTS OF INTEREST AND INCENTIVES

Cambridge Partners has a Conflicts of Interest Policy designed to identify potential conflicts. This policy is designed to ensure your interests are always prioritised over mine. Regular training is provided to ensure any actual or perceived conflicts are identified and managed appropriately to ensure they do not impact the independence of advice.

From time to time, I may receive business support services from suppliers, including training and educational assistance. I may also, on occasion, receive sundry merchandising materials.

I am remunerated by salary and a discretionary bonus. The discretionary bonus is based on a number of metrics set at the start of each financial year, including achieving client service levels, compliance obligations and new business. Cambridge Partners receives all adviser and planning fees disclosed.

## PRODUCT PROVIDER LIMITATIONS

I am not tied to any product provider, and the specific details of providers I recommend will be detailed in my advice documentation.
