## HOW I OPERATE

I am employed by Cambridge Partners Limited (FSP26104), a Financial Advice Provider, holding a license issued by the Financial Markets Authority (FMA) to provide financial advice.

I follow an advice process that ensures my recommendations are made based on your goals and circumstances.

## CONDUCT

As a Financial Adviser, I am subject to certain obligations contained in the Financial Markets Conduct Act 2013 and the Code of Professional Conduct for Financial Advice Services.

I am required to:

- give priority to your interests by taking all reasonable steps to make sure my own interests don't materially influence my advice.
- exercise care, diligence, and skill in providing you with advice.
- meet standards of competence, knowledge, and skill requirements designed to make sure that I have the expertise needed to provide you with advice.
- meet standards of ethical behaviour, conduct, and client care designed to ensure I treat you as I should and give you suitable advice.

## **CONFLICTS OF INTEREST AND INCENTIVES**

Cambridge Partners has a Conflicts of Interest Policy designed to identify potential conflicts. This policy is designed to ensure your interests are always prioritised over mine. Regular training is provided to ensure any actual or perceived conflicts are identified and managed appropriately to ensure they do not impact the independence of advice.

I may receive dividends due to my shareholding in Cambridge Partners Limited.

I am also a shareholder in Consilium NZ Limited, a shareholder in Cambridge Partners, and the provider of platform and administration services to clients of Cambridge Partners Limited. Consilium NZ Limited is the issuer and manager of the KiwiWRAP KiwiSaver Scheme, which is a KiwiSaver that we may recommend for some clients.

After having undertaken extensive three-yearly due diligence on the custodial platform, the Consilium NZ conflict is managed by ensuring that clients face no increase in platform services fees. Negotiations are conducted on an arm's length basis by excluding conflicted directors and shareholders from the negotiation process and recusing them from all votes giving rise to the conflict of interest.

The KiwiWRAP KiwiSaver Scheme conflict is managed by me not participating in any discussions, negotiations, or decisions relating to selecting this as an approved Cambridge Partners KiwiSaver provider.

I may receive business support services from suppliers, including training and educational assistance, from time to time. I may also, on occasion, receive sundry merchandising materials.

I am remunerated by salary and a discretionary bonus. The discretionary bonus is based on a number of metrics set at the start of each financial year, including achieving client service levels, compliance obligations, and new business. Cambridge Partners receives all adviser and planning fees disclosed.

## **RELIABILITY HISTORY**

Neither Cambridge Partners Limited nor I have been bankrupt or insolvent, have no criminal convictions, or have been publicly disciplined (referred to as a reliability event).

## **PRIVACY/DATA COLLECTION**

To give our clients the very best advice we need to collect personal information about their financial circumstances. In the digital age we live in, we take our responsibilities under the Privacy Act 2020 very seriously.
